

Texas Occupational Therapy Association

Spring 2025 Lunch & Learn Series

The Bubba Klostermann Lunch & Learn Series - all courses 12:00 - 1:00 P.M.

Bubba Klostermann is an occupational therapist in the West Texas (Abilene) area. TOTA's Lunch & Learn Series honors his years of commitment and service to the OT profession.

Jerilyn Callen, PP-OTD, MSOT, NIPMHF, OTR/L
Neurosequential Model of Therapeutics but Make it OT!

Thursday, February 20th

This course looks at how the Neurosequential Model of Therapeutics can be used by OTPs to address mental health concerns, and aid in the building of a strong developmentally appropriate foundation for all children.

Amy Gibbs, PhD, OTR, CEIM, DIR-Advanced
DIR Floortime - Everywhere with Everyone!

Thursday, March 20th

This course includes an overview of the DIR/Floortime model and why it is important for occupational therapists to utilize this model. Current evidence and treatment strategies will be provided. Participants will create a treatment plan using a DIR/Floortime strategy.

Angela Saul, MOT, OTR & Molly Amlung, MSOT, OTR, ADHD-RSP
The Integrated School OT – Supporting Students through Collaboration

Thursday, April 17th

This course offers an overview of school OT including strategies to support an integrated approach to supporting students holistically at school. Incorporates collaborative efforts to building sessions within the natural classroom and tiered structured environments.
