

Justine Faghihifar

**Email Address:**

Jfaghihifar@gmail.com

**TOTA District:**

Trinity North

**Member Type:**

Occupational Therapist

**List all the practice setting(s) you currently work in or have worked:**

Private practice, Inpatient rehabilitation, home health, ECI, Head Start, School system, Group homes, Day Habilitation, and sheltered work settings for people with disabilities.

**What are your interests and hobbies?**

This is tough! Learning, reading, traveling, biking, hiking, organic gardening, cooking, entertaining, and spending time with my family and two pups.

**What are you hoping to gain by being a mentor / being mentored?**

Personal satisfaction from assisting/problem-solving/facilitating professional reasoning processes within new clinicians as they move from more formal learning processes to adaptive learning and implementation of skills with clients. I also learn much from mentoring the mentee with regard to current areas of challenge new clinicians face and need to respond to, this keeps my knowledge in this area fresh.

**I am Willing to work:**

1:1

Small group
