### **Speaker Bio:**

Trisel Davis received a bachelor's degree in social work from Texas Southern University, a master's degree from Texas Woman's University, and a master's degree in theology from Houston Christian University.

Trisel has worked in adult rehab, adult and pediatric home health, adult and pediatric outpatient, public and private schools, Early Childhood Intervention, the State School, and Academia. She has worked at Specialized Assessments and Consulting, Memorial Hermann Hospital System, Richmond Supported Living Center (formerly Richmond State School), Harris County Department of Education, The Care Group, Winters Pediatrics, and Project Grow Early Childhood Intervention. Trisel taught in the PIMA Medical Institute and the Houston Community College occupational therapy assistant program.

Trisel is a Lay Minister Chaplain at Houston Methodist Hospital. Trisel co-facilitated a Sarcoidosis Support Group for JSOF (Janine's Sarcoidosis Outreach Foundation) from 2006 until 2023. She co-facilitates a Sarcoidosis Community Group in partnership with UT Health for FSR (Foundation for Sarcoidosis Research). She has been a co-facilitator for FSR since 2023.

Trisel has presented for TOTA, JSOF, and FSR.

Trisel published a book in 2020. "Take This Cup, My Journey to Accepting My Chronic Illness."
