Speaker Bio:

Sharon Wisnieski, OTR, MS, is the owner of Line Leader Pediatric Therapy in Austin, TX. She has over 20 years of occupational therapy experience including inpatient, outpatient, home based, aquatic services, & collegiate teaching. Previous work spaces include Texas Children's Hospital, Dell Children's Hospital (formerly Children's Hospital of Austin), private clinical settings, home based settings, & University of St. Augustine. Experiences include infant feeding, toddler & child feeding aversion, brachial plexus injury, autism, Down syndrome, cerebral palsy, dysgraphia, splinting, developmental delay, ataxia, public speaking, & volunteering as Vice Chair of Capital Centex District of the Texas Occupational Therapy Association. She currently provides therapy & mentorship at her private practice, Line Leader Pediatric Therapy, & presents to Austin area professional & parent groups. Line Leader celebrates 15 years of outstanding service this year, & Sharon could not be more proud to work with her fellow clinicians! When not pursuing pediatric therapy initiatives, Sharon enjoys making memories with her husband, 2 children, & 2 dogs.
