**Speaker Bio:**

Sue Ram is a clinical specialist occupational therapist at Texas Children's Hospital. She specializes in assessing, evaluating, and treating chronic physical conditions with a focus on the psychosocial domain. She is currently pursuing Ph.D. studies at Texas Woman's University, where her research focuses on bridging the gap between physical and mental co-morbidities in children and adolescents. She is driven to impact policy and leadership within the profession in a meaningful way through volunteer leadership and advocacy.
