

About Lillie Thomas

Position:

Great Plains West - District Secretary

Education:

2003 - Master's in Occupational Therapy 2022 - EdD. in Organizational Leadership - Higher education track

Current Employment:

2018-present - Assistant Professor in Occupational Therapy at Abilene Christian University

2010-present - Pool Occupational Therapist at Hendrick Medical Center - Acute, NICU, Inpt. Rehab

TOTA Involvement:

I have been a member of TOTA for many years. I have presented at the TOTA conferences and offered continuing education locally in our district. I enjoy participating in the local district socials. As the SOTA sponsor, I work to help communicate with the students about events offered by TOTA and encourage them to participate and advocate for the profession through support at the state level.

Position Statement:

I desire to take on the responsibility of the Great Plains West District Secretary. I have wanted to increase my participation within the profession at the state level and feel this opportunity would fit well with my talents. The GPW district continues to work hard to increase professional involvement throughout the district, and I know I could support this initiative while also performing needed officer roles.
